Hello Captain Jones,

The Mayor asked me to contact you since she read below that deputies responded out to Banker Drive while I was on the phone with the constituent. She is kindly requesting to know the outcome of the deputies' interaction with the man the constituent was complaining about. Please see below.

Thank you.

Ginger

Subject: CALL CONSTITUENT: <[\[REDACTED\]](#)>

Mayor,

Constituent <[\[REDACTED\]](#)>. For the last 4 months, a man who does not live on her street parks his car on her street and then proceeds to do maintenance work on his car, as well as other cars. He watches her and all of the neighbors and makes them all feel unsafe. She has reported him to Code Enforcement but states whatever enforcement they are doing has not prevented him from returning day after day. When she was speaking to me, she said the Sheriffs had just responded (I don't know the outcome of that). There recently was a shooting on her street and she is very nervous. She states she is trying to do the right thing for her and her neighbors by reporting the situation before anyone gets hurt, but is frustrated that no one will help her. She would really appreciate a call and can be reached at <[\[REDACTED\]](#)>
